DETAILED ACTION

Change of Examiner

1. Note the change of examiner in the present application. The Art unit number (1624) remains the same.

Priority

2. Receipt is acknowledged of applicants' priority papers.

Specification

3. It is requested that a status paragraph be added as the first paragraph of the specification.

Response to Amendment

4. Applicants' election of Group 4 in response to the restriction requirement of record is noted. However, upon review, a further requirement for election of species is deemed necessary.

Requirement for Election of Species

5. Claim 1 is generic to a plurality of disclosed patentably distinct species comprising Applicant is required under 35 U.S.C. 121 to elect a single disclosed species, even though this requirement is traversed. **Related structures and art-recognized equivalents will be grouped together for examination purposes. In the absence of significant prior art, remaining structures will also be grouped therewith. Methods of using will be examined with the elected compounds.**

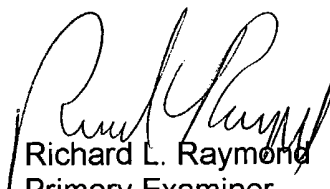

Art Unit: 1624

6. Applicant is required under 35 U.S.C. 121 to elect a single disclosed species, even though this requirement is traversed.
7. Should applicant traverse on the ground that the species are not patentably distinct, applicant should submit evidence or identify such evidence now of record showing the species to be obvious variants or clearly admit on the record that this is the case. In either instance, if the examiner finds one of the inventions unpatentable over the prior art, the evidence or admission may be used in a rejection under 35 U.S.C. 103(a) of the other invention.
